### HISPANIC CHEESE MAKERS-NUESTRO QUESO QUESADILLA STYLE CHEESES

- ❖ Our Authentic Quesadilla Style Asadero, Chihuahua, Mexican Manchego and Menonita cheeses have extraordinary melting properties made possible with careful aging and the incorporation of unique cultures to deliver uncompromised melting.
- ❖ We employed a Master Cheese Maker in partnership with a culture manufacturer to create these authentic quesadilla melting cheeses with superior characteristics and true flavors.
- ❖ The cheeses were crafted with consistency in mind, their uniformity relied on optimizing a culture blend with an applied quality enzyme.
- ❖ The result was a superb cheese with a buttery and creamy flavor that melts and stretches; that gives an exquisite chew/in the mouth experience; that goes well with peppers and flavorings to expand applications. A cheese that causes consumers to migrate to and become loyal to it.
- ❖ **Enjoy the Hispanic Cheese Makers experience and passion with every bite!**
