FRESCO LINE UP

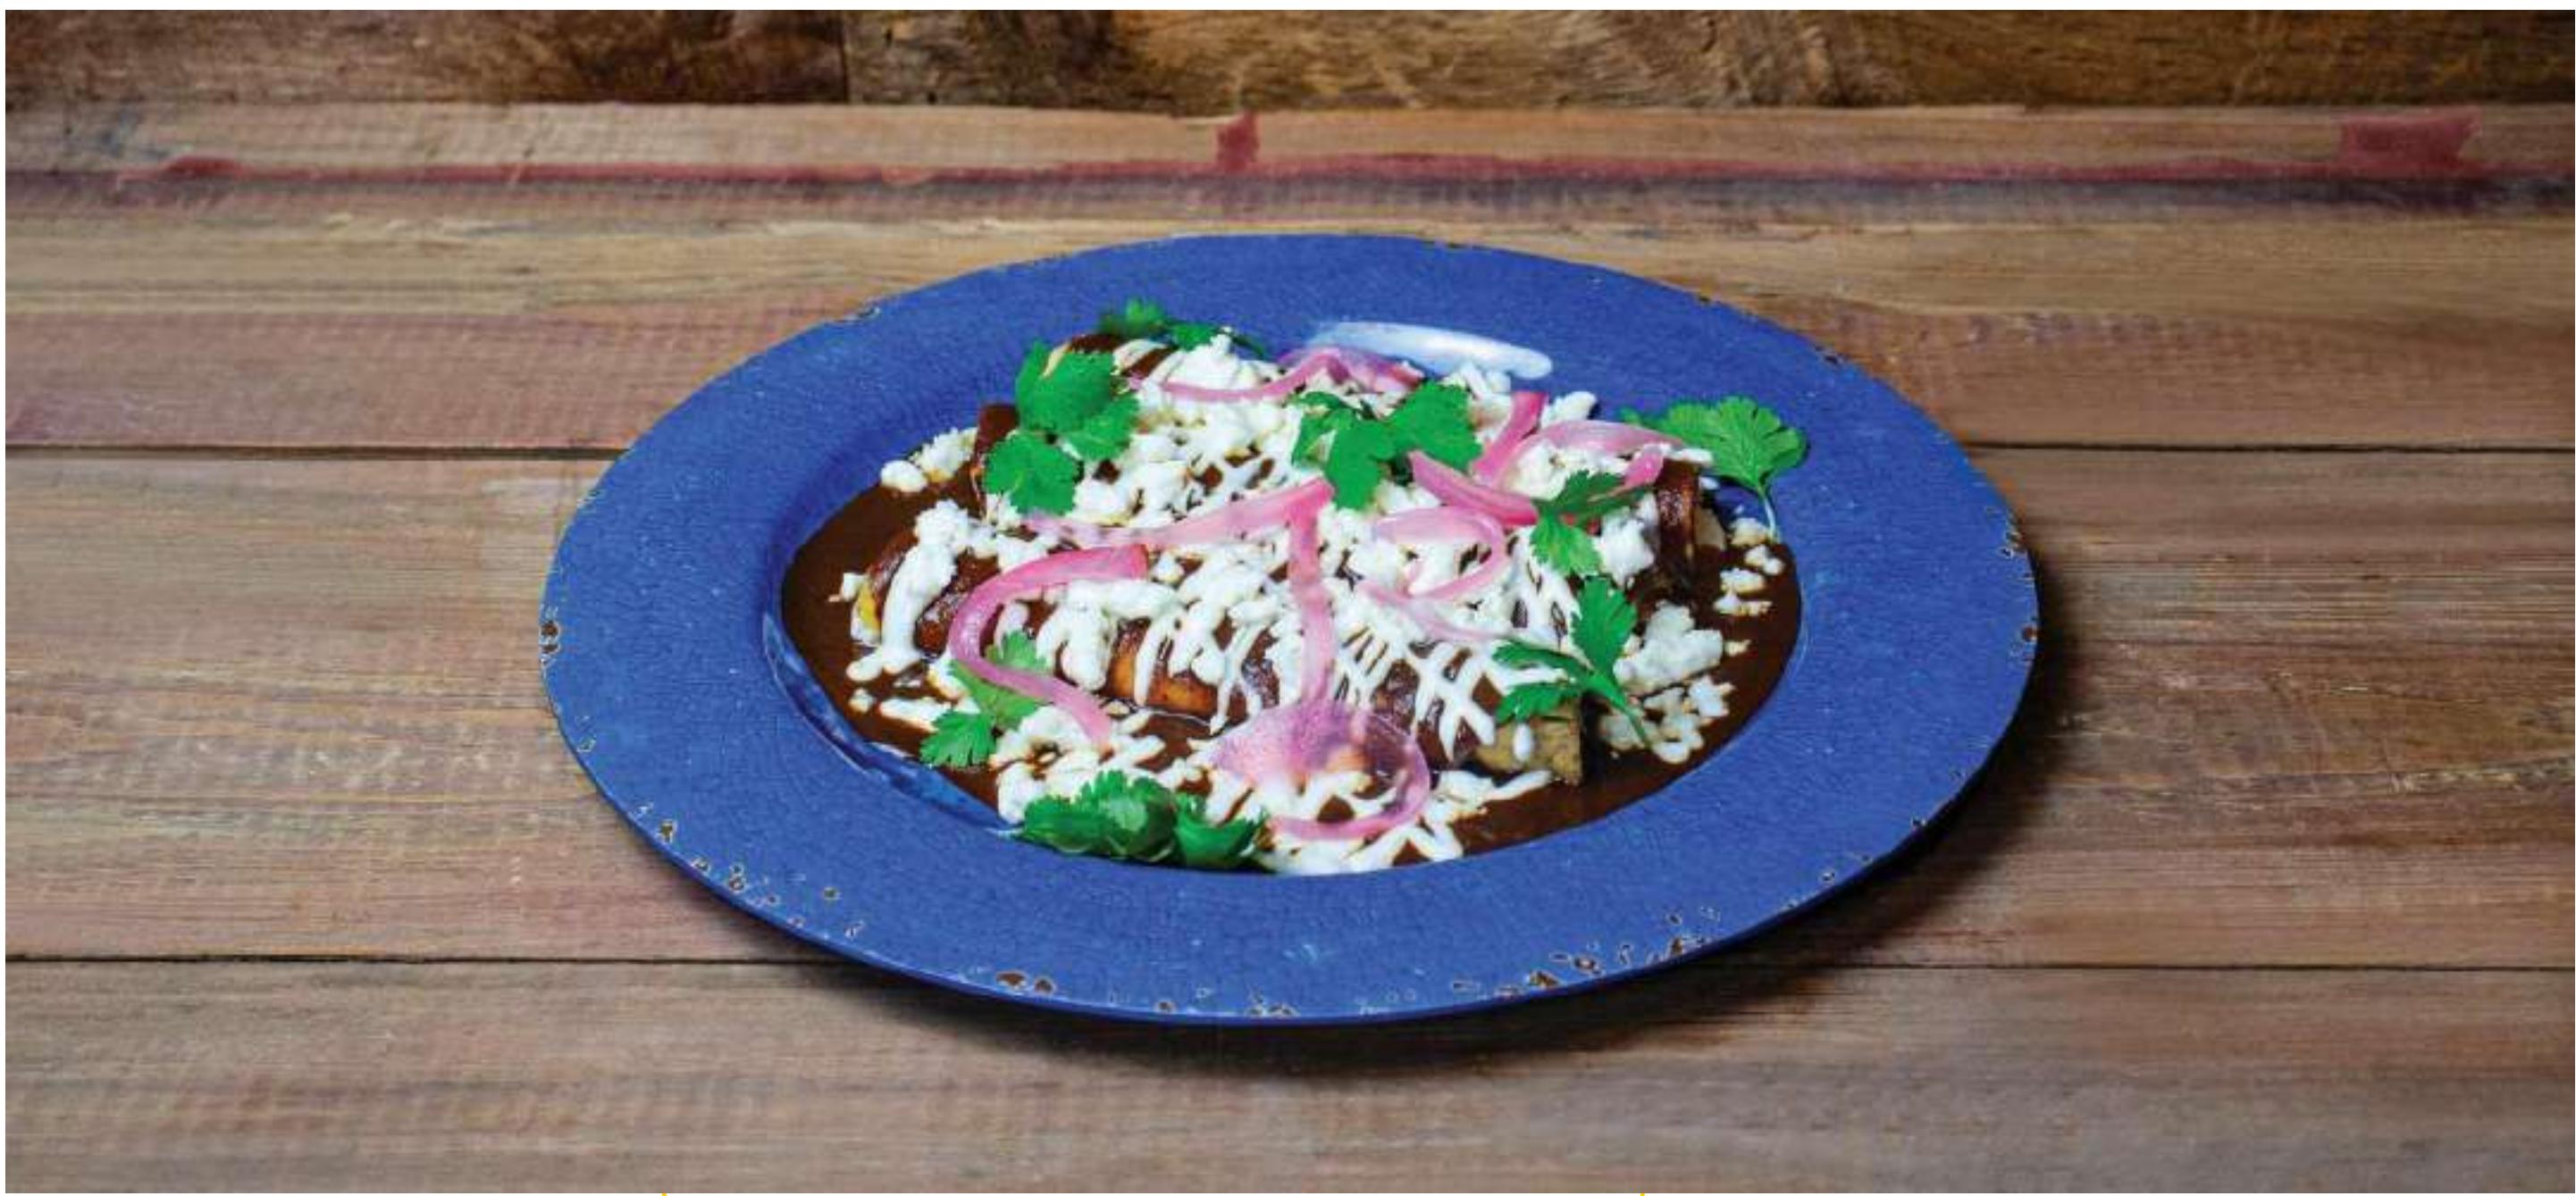

Mexican Line

Hispanic Cheese Makers - Nuestro Queso® Fresco is a fresh semi-soft cheese that is slightly salted and creamy with a mild smooth flavor. It is a traditional Mexican farmer's cheese that's lightly pressed and salted which has become the most popular Mexican cheese in the US.

Our Fresco crumbles easily, however unlike stronger crumbling cheeses, the flavor of Queso Fresco is smooth – fresh, bright, milky, and mild – making it a perfect complement to crumbled onto fruit, beans, salads and other dishes.

Hispanic Cheese Makers - Nuestro Queso® Fresco is the best in its class in the industry. It won the Gold Medal at the American Cheese Society Contest and at the US Championship Cheese Contest.

PANELA LINE UP

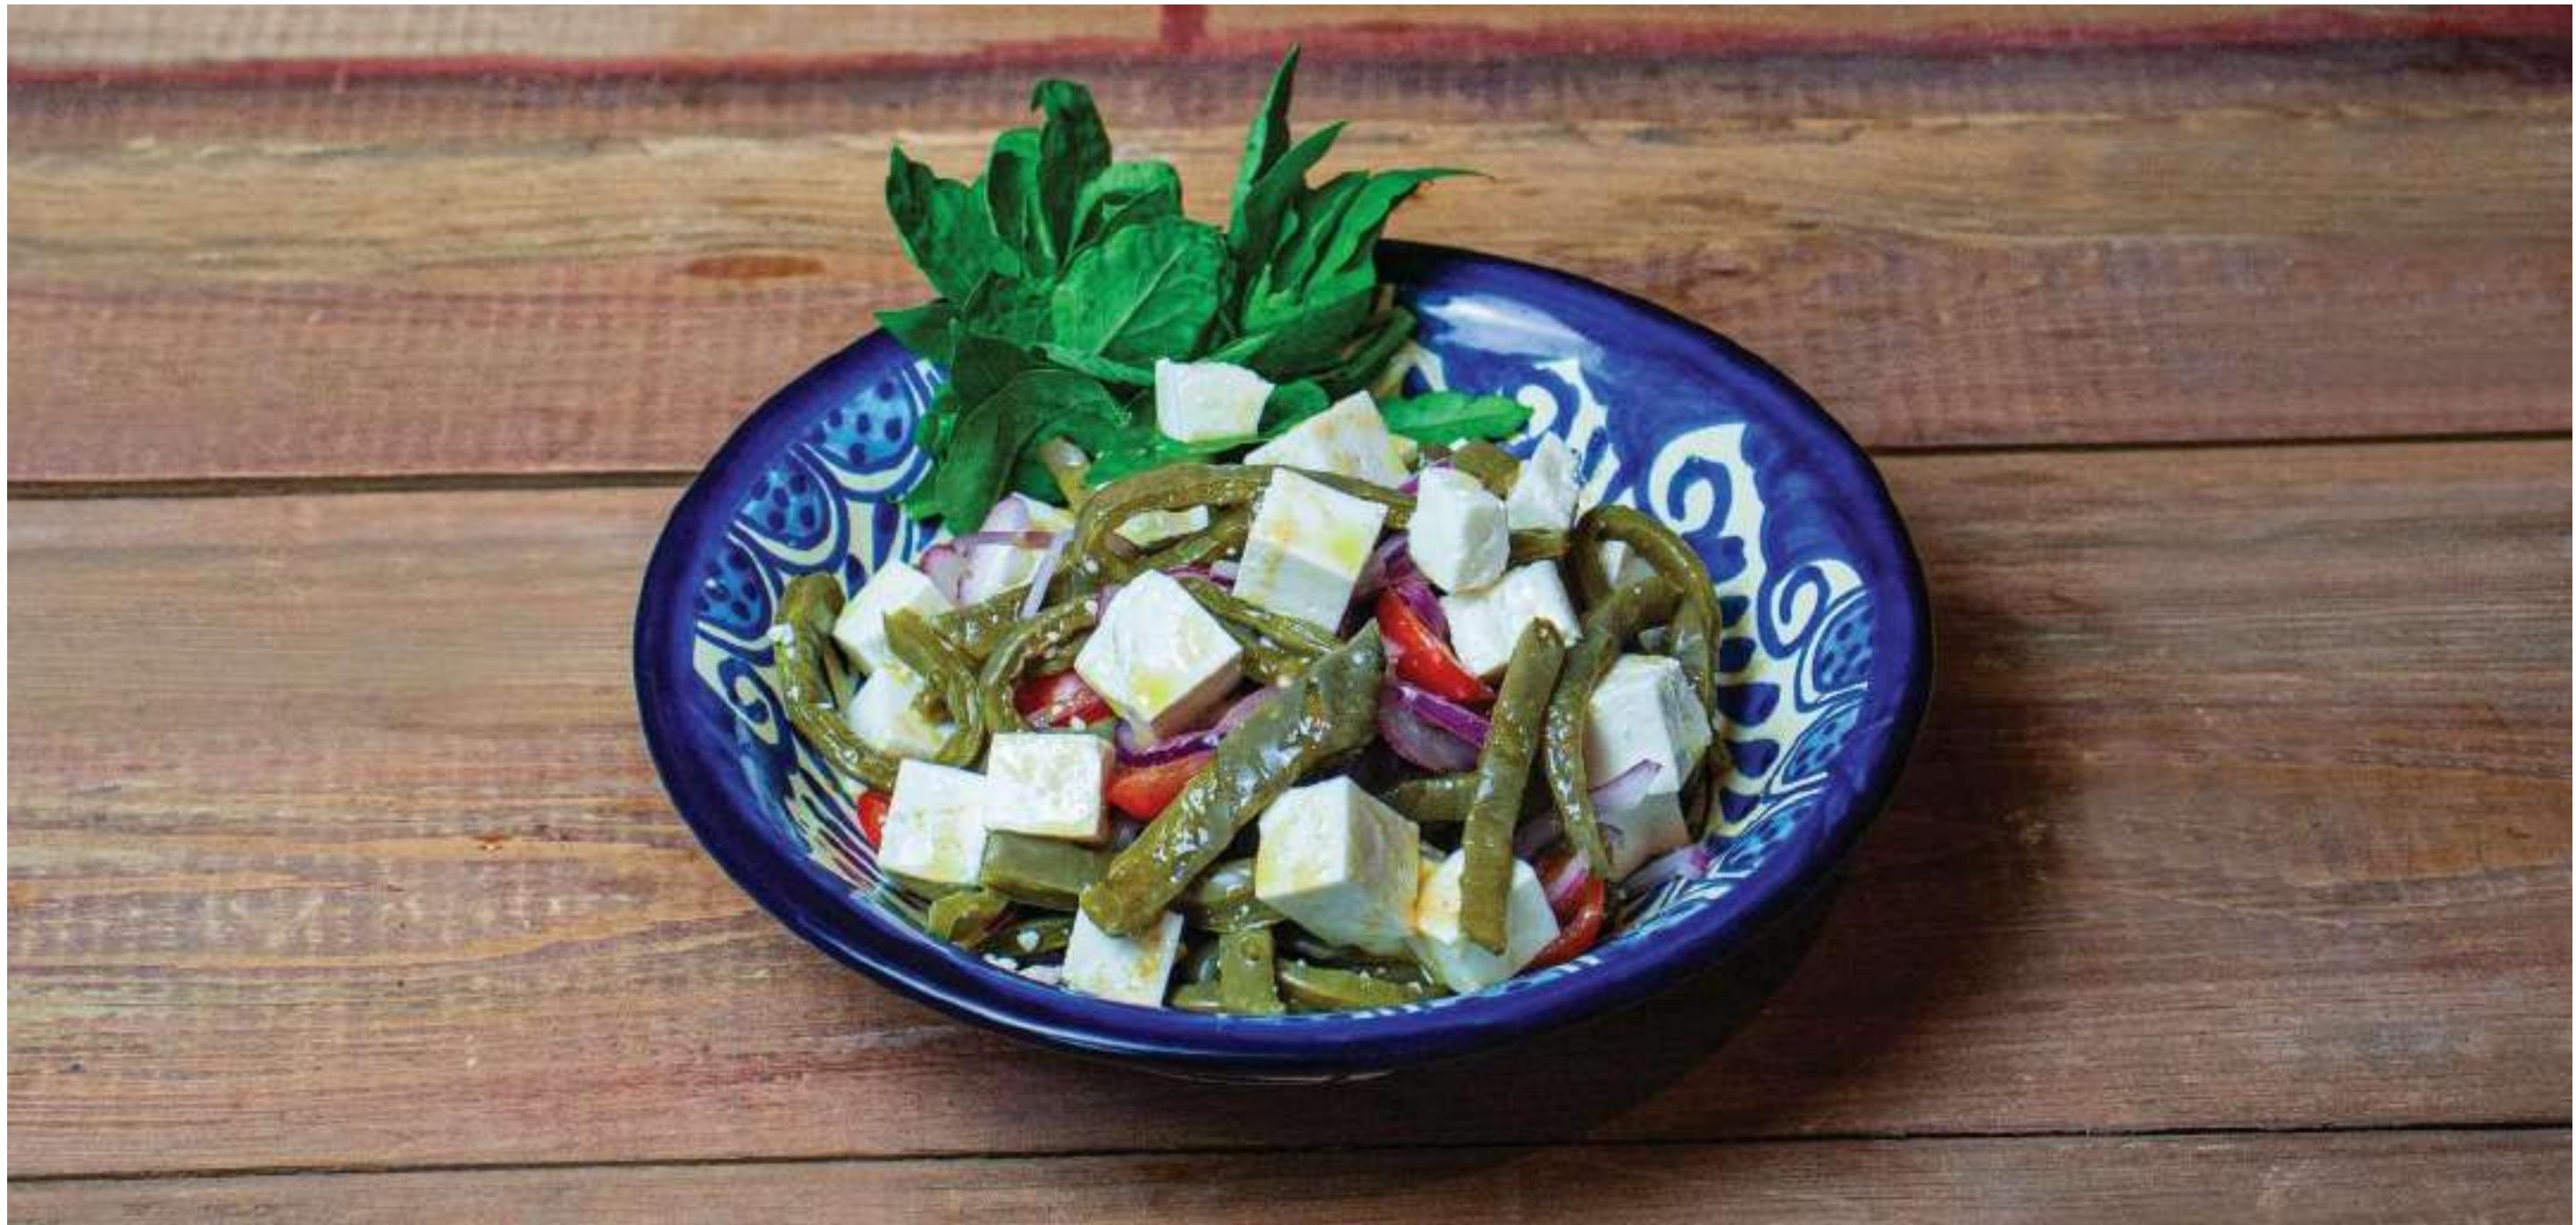

Mexican Line

Hispanic Cheese Makers - Nuestro Queso® Panela is a fresh cheese. Is often referred to as the “flower of the milk”. Its elegant texture and exquisite taste helped earn silver medals in the U.S. Cheese Championship. Hispanic Cheese Makers - Nuestro Queso® Panela is lower in sodium than many Mexican cheeses which makes it a very healthy alternative.

This cheese is one of a kind and all-natural made from fresh whole milk from the Mid-west with salt and enzymes and free from hormones. You'll never find any artificial ingredients or additives in our Queso Panela. Also known in Latin American countries as Queso de Canasta, or “basket cheese” because it is actually formed in a basket mold. Panela retains a moist consistency.

Queso Panela is fantastic crumbled over tacos, tortas, cemitas, huaraches, or any Mexican style dinner. Serve it cubed with fruit or salads.

COTIJA LINE UP

Mexican Line

Hispanic Cheese Makers - Nuestro Queso® Cotija is a dry grating cheese similar to Parmesan. It is an aged cheese, packed with flavor and zest that gets better with time. It is named after the town of Cotija in the Mexican state of Michoacán. When the cheese is made, it is white, fresh and salty thus bearing immense resemblance to feta cheese. However, with aging, it becomes hard and crumbly like Parmigiano-Reggiano. Its similarity with Parmesan has earned it the nickname "Parmesan of Mexico".

Hispanic Cheese Makers - Nuestro Queso® Cotija is one of the best in its class, it won the Bronze Medal at the American Cheese Society Contest. And it will win you over too!

This zesty cheese is a taste enhancer for all your tacos, elotes (Mexican street corn), guacamole, pico de gallo, sauces, pastas, soups, and salads. Cotija makes everything taste delicious.

OAXACA LINE UP

Mexican Line

Oaxaca cheese is Mexico's most popular cheese because it melts and strings like no other when heated, forming delicious long strings when pulled. Oaxaca is a semi-soft cheese like un-aged Monterey Jack, but a mozzarella-like string cheese texture. It is named after the state of Oaxaca in Southern Mexico, where it was first made.

Queso Oaxaca is best served warm, it maintains enviable melting characteristics, has been chosen by numerous chefs and is the private label choice for quality-conscious retailers. Served as a string cheese snack or heated into a corn or flour tortilla.

Our Queso Oaxaca is the best in its category, it has won multiple industry awards among them the Gold medals for "Best Hispanic Melting Cheese" at the US Championship Cheese Contest and the American Cheese Society for its outstanding quality and taste.

PARA FREIR LINE UP

Caribbean Line

Hispanic Cheese Makers - Nuestro Queso®
Para Freír (frying) is a firm, mild cheese most commonly used for frying. It has long been a staple in Central America and the Caribbean where it is appreciated for its ability to fry without any breading.

It is a perfect cheese to serve hot because it has the unique characteristic of not melting even when exposed to high heat used in deep fryers. It makes a great quick and delicious snack. Frying or pan-searing softens the cheese and results in a golden brown crust with a creamy, warm interior while maintaining its shape.
Hispanic Cheese Makers - Nuestro Queso®

Place Para Freír slices coated with cornstarch in a frying pan with oil over medium heat, fry both sides in the hot oil until golden-brown. It also goes great with fruits, salads, jams, or any traditional Central American dishes that require a fresh crumbled cheese.

BLANCO LINE UP

Caribbean Line

Queso Blanco is a very popular Caribbean cheese. It is mild, firm yet smooth in texture and softens without melting. It becomes soft on the inside. When you bite into it, it squeaks like a fresh cheese curd and rewards you with a buttery creaminess found in only the best mild cheeses.

Queso Blanco also fries golden brown, through pan-frying or deep-frying, without losing shape or oozing out due to melting. The flavor is delicious with low salt content. Hispanic Cheese Makers - Nuestro Queso® Blanco is one the best cheeses in its category having won the Silver medal at the World Championship Cheese Contest.

This cheese is very popular in the Caribbean, very similar to Hispanic Cheese Makers - Nuestro Queso® Fresco. A special characteristic is that it hold its shape during cooking making it great to grill, fry, or deep fried. Great company for fresh fruits, jams, or salads.

Queso fries

Introducing our Keto Friendly Cheese Fries, our delicious frying cheese in a fry format.

Our Cheese Fries are a healthy and tasty alternative to traditional fries as they are Keto Friendly, convenient and nutritious.

They are high in protein, low in carbs, an excellent source of calcium, and have no added sugars.

The frying cheese we make the fries with doesn't melt and makes for a delicious snack. When fried or pan-seared the cheese's creamy interior softens without melting and the outside turns into a golden-brown crust while maintaining its shape.
